## audience reviews

***Gypsy, California Musical Theatre (Music Circus)***

**Review:** I was not WOW'd by the performances. Rose had a great voice, but she didn't do it for me at all. Gypsy would never have gotten paid big bucks for her striping either. No flaunting just walking and twirling. By the last strip, she should have been a pro and I was disappointed. Sorry, I have seen better.

**Review:** Excellent production. Don't miss it!

**Review:** I have seen a lot of theatre and this was one of the most amazing shows I have ever seen. Vicki Lewis was perfect and was supported by a wonderful cast. The staging was beautiful. This show should not be missed.
