audience reviews

Riverdance, California Musical Theatre (Broadway Sacramento)

Review: This show was amazing! The talent and energy of the dancers was excellent. I loved the tap dancing piece between the more contemporary and traditional styles. What surprised me was how much I enjoyed the individual musicians and vocalists. These talented artists really rounded out the show. 'Riverdance' is not to be missed.

Review: Fantastic! All of the artists were great (dancers, musicians, vocalists). The talent and athleticism of the dancers was breathtaking. Their speed and accuracy was unbelievable. The primary male dancer was rivoting!! I've seen dozens of shows (musicals, orchestra, ballet, etc) over the past year and this was the best. I strongly recommend seeing this before it ends - - the opportunity to see something this powerful doesn't come along everyday. My 7 year old daughter was mesmerized and loved every minute of it!
