## audience reviews

### *Twelve Angry Men*, California Musical Theatre (The Broadway Series)

**Review:** This remains a classic and this production of it does it no injustice. One adage coined by Jimmy Cagney when asked about how to be a good actor, "Well, never get caught doing it!" That is truly the case here. Twelve extremely real and human characters with exceptional timing and pacing make this show sizzle from start to finish. Richard Thomas shines behind an extremely well crafted script that endures through time. The lone chink in the armor here is Norm and the jury foreman. Fortunately, George Wendt's character isn't asked to do too much, so it is only a mild annoyance and worth the star power to the producers, I'm sure. There is no intermission, but you'll never be squirming in your seat waiting for it to end.

**Review:** Theatre does not get much better than this excellent production. It is first rate on all levels. Don't miss it!
