## audience reviews

*Into the Woods*, California Musical Theatre (Music Circus)

**Review:** Not knowing what to expect I saw *Into the Woods* at the Music Circus. I had a great time, as the play had clever dialogue, scenic staging, and many humorous moments. Re-visiting a few fairy tales ( like Jack and the beanstalk, Little Red Riding Hood, Cinderella, etc) and then continuing the tales after the usual happily ever after endings. What happens next is fun to watch while you are at the theatre, and also gives you something to think about later as well. With a lot of well played characters, good singing and dancing, its a wonderful time for all.

**Review:** Wonderful show! Little Red is very funny. Cast is excellent. Don't miss it!
