audience reviews

Smokey Joe's Cafe, Magic Circle Theatre (Tower Theater)

Review: Wonderful! I smiled the entire time. Tower theatre made us feel like we really were in a club. Amazing talent, great vocals. A guest was overheard asking why Dannyelle Finch was not in NYC. I am so glad she is here, so we can enjoy! My favorite was "Pearl's a singer", sang by Lorraine De Arco and I hope she is in future shows. We loved Cassies's shimmy! Start to finish, a fantastic show.

Review: FANTASTIC! ENERGY FILLED! MULTI-TALENTED CAST! We just returned home from the Sunday matinee, which had a full house. Having seen this musical at another venue, which was very good, we weren't sure how this one would be...well, the cast, each and every one of them, were so dynamic. Specific solo/duet songs were cast perfectly for the chemistry and harmony of the performers. I must recommend that you all take advantage of this feel-good opportunity...bring your friends, family, neighbors, everybody! Especially great for the people who remember the words to each song, and a terrific introduction to those who are new to the music. On a scale of 1-10 this is an 11...!!!! Keep up the xInt work!

Review: I've seen this performance twice, thought it couldn't get any better but enjoyed even better my second time. I actually saw this show in Reno about three years ago and this show could be in Reno. This was a great group of talented people, great energy, fantastic vocals. The solos were excellent, enjoyed the shimmy girl, I think if the right person saw this show it could go on the road.
