Hats! The Musical, Magic Circle Theatre

Review: FANTASTIC!!!! LOTS OF FUN!!!

Review: If you're a woman over 50 -- you must see this show. Both the musical lyrics and spoken lines are laugh-out-loud funny. The all-female ensemble cast is perfectly cast and seems to be having a lot of fun performing the musical-- Hats! You don't have to be a "Red Hatter" to enjoy the show, but you'll be surrounded by them anyway and their enthusiasm and zest for life and love of this musical about their group is very contagious. Highly recommend yet another fine production from Magic Circle Theater. It's also the California premiere,so war your red hat, ladies!
