Annie, El Dorado Musical Theatre

Review: Another fabulous EDMT show. Saw it Saturday afternoon and it was stunning. Shining performances by Annie, Warbucks, Grace and Hannigan as well as a super talented group of orphans! The show seems pretty relevant for our times. The perfect show to get you and your family in the holiday spirit.

Review: I saw Annie on Sunday afternoon. What a great show! I would recommend going to see it with the whole family. The entire cast was wonderful. What a talented group of actors.
- Another EDMT fan

Review: I thought it was okay. I saw the show Saturday night and it was not great, but it was not bad either. Nobody in the cast stood out as doing a great job, and in the end, the show was not a memorable event. The choreography was simple enough for the non-dancers to handle, however that left moments that could have been great, boring. I will be attending another performance of this to see the other cast, and hopefully they'll leave a better impression on me.

Review: As an EDMT fan, I do get tired of seeing the same faces every production. Like their previous productions, I was greatly disappointed (but not surprised) to see that the same folks are being cast every time. There's got to be more talent than the same few out there, EDMT; give us something new! This sense of deja vu is growing stale! The acting was adequate and predictable.

Review: Roxy cast was fantastic last Sunday night! Annie and "Daddy" Warbucks had chemistry with a little twist of humor and pitch perfect singing. Mrs. Hannigan was great and really engaged the audience with her sass and spunk. Grace sang beautifully and the orphans were the icing on the cake. Each member of this cast - from smallest to tallest - seemed to compliment and encourage one another to do their best. Hats

Review: Congratulations EDMT for a great show and giving some fresh faces a chance in Roxy's cast. The performers were awesome with their dancing, singing, and lots more. Good job to the Time Square cast for giving it their all. But, I was a little disappointed to learn that the same people got the lead roles again. Same old same old gets old. I've seen other talented actors in the background who can add their own spin to the spotlight. I hope they'll get a chance soon.

Review: I hate to say this, but seeing the same faces (particularly in the Times Square cast) is altogether dry and anti-climactic. What makes the Roxy Cast so dynamic is their attention to the authenticity of the characters. Caroline Mixon is a star and will hopefully lead EDMT for more years to come. Other notes; fantastic set, good choreography, costumes, very professional artistic elements that is expected of El Dorado Musical Theatre. So overall, I would say a compelling job with Roxy, a predictable job with Times Square. A great family experience, so yes, attend it with the whole family!

Review: EDMT does cast new people! Caroline Mixon (Annie in the Roxy cast) is in her debut performance at EDMT, never having done a single show with them. It takes a leap of faith to do this with any lead, and to cast an "unknown" in a title role (and an eleven year old at that) takes GUTS! Hats off to the directors for making the leap of faith. It definitely paid off!
