## audience reviews

*Disney's Aladdin, Jr., El Dorado Musical Theatre*

**Review:** I just was fortunate enough to see this delightful musical! Sometimes I forget how seeing a live performance can be so magical. EDMT has once again brought magic to the stage. Debbie Wilson has taken a very talented group of young performers and made, you guessed it, magic. I highly recommend everyone see this show. From the sets and flying carpet to the wonderful performances, you will not be dissapointed!

- A. Pedroni

**Review:** The vocals in this show were amazing!! The girl who played Jasmine was an especially talented singer. and the dancing was great too! Debbie Wilson does an extraordinary job with every show she directs!
