audience reviews

Disney's Mulan Jr., El Dorado Musical Theatre

Review: Great show again by EDMT ... Grandma Fa was hilarious as well as adorable!

Review: This is an absolute MUST SEE for the whole family!!! This is a show that keeps on entertaining. The costumes are colorful and spectacular. The choreography will amaze you, particularly in "Keep 'em Guessing" and "I'll Make a Man". Mulan will touch your heartstrings with her powerful vocals and the harmonies from the ensemble cast and ancestors are perfection. Mushu is the ultimate adorable liza... I mean dragon that will have you chuckling. Lots of surprises from the soldiers and Huns - some with twirling, flying sticks. Others just might sneak up on you. I loved it and will see it again...just in case I missed something the first time (or two).

Review: Definitely worth watching -- Disney stayed true to the animated classic while changing some things up nicely. A solid performance by all the talented kids at El Dorado Musical Theatre! The actress portraying Grandma is a real scene-stealer!

Review: Wow! Amazing show especially for a children's production. The girl playing Mulan was incredible, carrying the show with her great acting and beautiful vocals. My niece and nephew loved every minute of it. Other stand out performances are Mushu, the little grandmother and the ancestors. Definitely a must see.
