## audience reviews

***The Rimers of Eldritch, Falcon's Eye Theatre at Folsom Lake College***

**Review:** Had I not known ahead of time that this play went back and forth from past to present, this would have been confusing however, this is not a criticism of the actors who all did a fabulous job! They stayed focused and well rehearsed in the intimate "black box theater" setting even when the audience is so very close to the stage. All of the actors did a great job at making the characters come to life. Good job in all aspects; lighting, tech, set etc...
