## audience reviews

*Nunsense, Runaway Stage Productions*

**Review:** I was so excited to see the tremendous amount of talent all on one stage. Every "nun" gave a hilarious performance, each showing off their different personalities - it was great!! We took my mother-in-law - She said she can't remember the last time she laughed so hard - It felt good! DO NOT MISS THIS ONE! We are going back again this weekend!!  
- Kathleen Delano

**Review:** Wow! Saw the show on Sunday - The theater was about half full which was too bad because this show was great! I have seen Nunsense before professionally done and this show and cast were as good as the one I saw in the City. I was delighted to "get to know" each Sister as their character developed - I left there feeling like I knew each one. With all the shows going on the area - Couldn't believe that there were five extremely talented performers all on one stage! Only two more weekends left and I have already bought tickets again for the closing weekend and taking three other friends. DON'T MISS THIS SHOW!  
- Frank

**Review:** Absolutely outstanding show! I have seen several productions of Nunsense before and this one is one of the best that I have ever seen! The cast was incredible. Mother Superior (who reminded me of some nuns I had in grade school) was fabulous. Sister Amnesia was hilarious and really charming. In fact, the entire cast was wonderful and so was the music. I think I'll go back again!
