audience reviews

Othello, Sacramento City College (Sacramento Shakespeare Festival)

Review: The production had lovely scenery and beautiful twenties costumes, even if for some reason the military men were dressed in civil war uniforms for no apparent reason. The sheer amount of bodies on stage were often distracting. Scenes involving four actors or fewer were more enjoyable, though the character of Iago was nowhere near as evil as I've always imaged the character to be. Still, it was worth a picnic in the park.

Review: I am not a huge Shakespeare fan, but I thoroughly enjoyed this production of Othello. I especially thought the two male leads, the actors who played Othello and Iago, were fantastic! Even the more minor roles were well acted. Because the acting was so well done, I understand a lot more than I usually do when watching Shakespeare. Well worth seeing!
