audience reviews

I Love You, You're Perfect, Now Change, Sutter Street Theatre

Review: I've seen this twice, now and both times it was great. I would definitely recommend this to anyone who loves to laugh and loves live theatre shows. It is for the whole family and the comedy is great.

Review: This improv team was excellent, very funny! The music was way to loud for me, and that is the one big draw back, because the place is so small, and intimate and the actors so good, that it's not necessary to blast our eardrums out with such loud music. However, having said that, I still laughed, (cause fortunately the music was turned down when the dialogue came). And it was a very entertaining evening. I 'd go again..and again....keep up the good work.!

Review: I took my pre-teen and teenager and we all loved the evening. I agree with the music being way too loud, as well as the sound person's voice. The speaker is in the back so sit closer to the front to avoid that.

It isn't like "Whose line is it anyway." There is much more audience involvement for ideas, and a competitive atmosphere between the two teams of the evening. We will definitely go back and it will be a great place to take out of town guests.

Review: WOW! what a great/fun night. I didn't expect to laugh out loud as hard as I did. The team was very funny and did a great job. I really enjoyed myself and would recommend this for those of you wanting to find something new and entertaining to do on a Friday or Saturday night!

Review: ABSOLUTELY DARLING AND HILARIOUS!!! Great cast...what a INCREDIBLE amount of memorizing. VERY professionally done - especially LOVED the "car" scene!!
