audience reviews

Pinocchio, Stage Nine Theatre

Review: I took my family to see Pinocchio on opening weekend, and the show was fantastic!!! The story really comes alive, as Lorenzo invites you to see his show! You help Pinocchio locate Hickory, there's a puppeteer with live puppets, kindly Gepetto, dancers, mischievous kids, and so much more. The ocean scene is well done, and the swallowing by the whale was astonishing. All the characters help make this show a real treasure! Stage Nine has done it again!

Review: Stage 9's "Pinocchio" was certainly a delight. The cast brings a great deal of energy to their performances, and the audience participation and interaction is wonderful for children of young ages to enjoy. Particularly marvelous are the multiple roles that many in the cast portray, as well as the terrific work of the main characters in the play. Sure to bring a smile to the faces of those attending, I encourage families to spend an hour or so on a Saturday or Sunday in Folsom supporting local theatre and the arts.

Review: I found the show to be very entertaining and well done. The characters come alive by the young actors who help tell the old fairytale. A delightful venue in which to attend live theatre. If you are looking for a fun way to spend the afternoon, you will not be disappointed.
