Cinderella, Sacramento Theatre Company (Mainstage)

Review: This production was wonderful! We took 3 of our grandchildren - including a 5 year old who had never seen a play before - and they were enthralled from the first moment. We laughed ourselves silly and enjoyed every second of the beautiful music, amazing set and the talented cast. The 5 year old fell asleep and is already planning to attend next year so that she can see the whole show! Thank you STC for a super evening that we will all remember for a very long time.

Review: Took our family of 3 to see the show the other night and loved every minute! Our 6 year old couldn't stop talking about it the entire drive home. His favorite was the dancing bear! Great cast, costumes, set, and music. Looking forward to seeing more great shows from STC.

Review: My wife and I attended with our two daughters (13 and 5). While the show follows the traditional story of Cinderella for the most part, it is the twists and excellent acting that carry the show and make it wonderful for children of all ages. My five year old laughed outloud the entire show and especially loved the evil stepmother and the two stepdaughters as well as Buttons. We have now seen STC's Treasure Island and Cinderella and have received great value for our entertainment dollar for both plays. RJ who plays one of the evil stepdaughters, shows how wonderfully talented and diverse he is playing a woman in drag in Cinderella after his brilliant portrayal of Billy Bones and George Mary in Treasure Island. With times tough for everyone, I highly recommend any STC performance, as we have been thrilled with both shows this season at the Mainstage and absolutely got an excellent bang for our entertainment buck. It beats any movie out right now and the children loved it as well. Bravo!!!!!!

Review: Wonderful, hilarious and recommend it to all ages. We saw this show as season subscribers, and returned with my daughter and friends. The stepmother and stepsisters were the highlight of the show. Loved the audience interaction from actors. Great dancing from Knickers,

Buttons and the Sheep. Prince Charming has a wonderful voice. Bo Peep delivers her lines with perfect comic timing.
