***Someone's Somebody* - WORLD PREMIERE!, Sacramento Theatre Company**

Review: The performance and show are a "perfect fit", a must see! Regina Louise is amazing! She is an award winning author, dynamic public speaker and successful business owner who now weaves a powerful black Cinderella tale step by step with shoes, original music and stunning dramatic talent. The tale of harsh life experiences (including over 30 foster homes) ends on a triumphant note; Love is Never Wasted.

Review: A must see!!!

Review: I don't know what experience on stage Ms. Louise has, but if this is her first performance, she did an outstanding job. I feel more could have been done with the story, and a full multi-actor performance is the future of this story. Well worth the ticket price though, just needs some more work.
