audience reviews

The Complete Works of William Shakespeare (abridged), Sacramento Theatre Company (Mainstage)

Review: Whether you know Shakespeare's work or not, this is a fun show for all. If you do know Shakespeare's work then it's even more fun. High energy and good talent fuel this production.

Review: Recognizing that others in the audience apparently did enjoy it, my own one-word reaction was: "sophomoric". My wife and I left at intermission; might have done so sooner if we'd been closer to an exit. We trust we will enjoy other STC productions in the future as we have done in the past.

Review: This is a very funny show by an extremely talented cast. Don't miss it! You will leave the theatre feeling healthier from all the belly laughs you had, after all, "Laughter is the best medicine" and there is certainly a lot of "medicine" in this show.
