Little Women, T.H.E. Actor's Workshop and Integral Theatre Company

Review: We were very impressed with the opening night of Little Women. Unsure of what to expect from high school aged actors, we were pleasantly surprised by the poise that each one had. The evening flew by due to the actors ability to capture the audience's attention and being able to hold it the entire evening. The level of preparation for this age group was astounding. A very enjoyable evening, with the possibility of going back to see it a second time.

Review: The play was wonderful and very entertaining play. The characters really played there parts well. The range of emotions was very well acted by all. It will have you laughing and crying and thoroughly entertained.

There was never a dull moment. The casting, story, scenery -- everything was great! You don't want to miss this show!
