audience reviews

Frankie and Johnny in the Claire de Lune, Actor's Workshop of Sacramento

Review: I really related to this play. I was 5 minutes late which missed the opening scene, and so I'm not sure if that's why I found their performances a little hard to get into, or if it truly was that way. After about 15-20 minutes, the rest of the play was quite enjoyable, hilarious, touching, and emotionally raw. It is the love story for the modern era of twenty-something's in today's society. Great performances by both, and I even teared up in the end. All-around great evening and the 4 I was with enjoyed it very much as well.
