Almost, Maine, Big Idea Theatre

Review: Fantastic! I walked into the theatre and was immediately taken in by the atmosphere. It was more than just watching a performance it was an experience. My hats off to all involved. I laughed, I cried and then I laughed some more. Thank you Big Idea Theatre.

Review: I saw this show opening weekend, and I thought it was amazing. I don't know when I've seen such a strong cast assembled on one stage at the same time - there were no weak performances. The show was, by turns, hysterically funny, touching, and tragic, but in spite of the heartbreak, I was left with the feeling the love does triumph in the end. The set was magical; a winter wonderland. Highly recommended.

Review: For the most part I see musicals and not to many plays, I took a chance and went to see this show. It was amazing, the set, the actors and the direction was great. Everyone should make it over the Big Idea and see this show, you won't be sorry.

Review: My husband and I like musical theater more so than a play. But, we enjoyed "Almost Maine" so much that it wasn't until we were driving home that we commented on the fact that no one sang. We didn't care. Great production. High energy level with cast and crew. It was even fun watching them change the settings for the each scene. Awesome direction, set design, casting and, definitely, acting. Money and time well spent. So, for a good time, give Big Idea Theater a call.

Review: Excellent production full of ha's, ah's and awww's! Brilliantly directed and played. Some of Sacramento's finest talent is on stage. Audience was completely wowed! See this play!

Review: Fabulous! I loved every minute of it! I was curious how it would compare to B-St, honestly IT WAS BETTER!. The stage, lights, music, all the actors were excellent, Koodos to the director, and stage manager. I didn't want it to end! BIT is putting on so many fantastic shows, and I can't wait to see the next one! GOOD JOB EVERYONE!

Review: What a treat!!! I was completely taken by this show. The cast is amazing. I can't say enough about how great this play is and the production itself is fantastic!!! Treat yourself and go see this show!

Review: What a lovely theatrical experience! The lighting was enchanting, the set changes a charming ballet, the acting and direction sublime. I don't have the vocabulary to express how delighted I was with all the laughter "Almost" provoked, as well as the few surprisingly heart-clutching moments of sorrow. Go to be impressed, entertained, and touched.
