## audience reviews

### *Murder at the Howard Johnson's, Bob and Ro Productions*

**Review:** This was GREAT! Lee Marie, Dean and Aurelio were a kick to watch! This was a great beginning for the new production company, keep them coming!

**Review:** They have done it again! After 22 years as the founders, artistic directors and management of another community theatre, The Geroulds have taken over the Studio Theatre with their premiere opening of their first production, Murder at the Howard Johnson. Kudos to Aurelio, Lee Marie and Dean for their stellar performances in this funny funny show. They work together like 3 peas in a pod. This is a MUST SEE performance.
