## audience reviews

### *The Graduate*, Bob and Ro Productions

**Review:** Saw 'The Graduate' this weekend. Just gotta say it was FANTASTIC and it ain't your run of the mill production - great job Dean, super fabulous job Cast - especially Lee Marie. Not only talented but brave and you wear the part well!

**Review:** This is a must see show. I thought the actors were wonderful, the dialogue fast paced and flawless, and the set changes choreographed perfectly. I was totally entertained from start to finish. If you're looking for an evening of excellant theater, this is the show to see.
