audience reviews

Picasso at the Lapin Agile, Chautauqua Playhouse

Review: I have not laughed this hard in ages. My girlfriend thought I was going to die or something. Daryl Petrig's monologue about selecting the color for the shutters was a piece of pure comic genius. Go see this show!

Review: Mr. Petrig and Mr. Lucas steal the show! The comedic timing and energy they both had were the highlights of the show. The only negative thing I could say about this production was that I caught many of the other characters "acting". They seemed to be pushing very hard, and it seemed forced. Hopefully that will smooth out as they become more comfortable with their roles and with the flow of the production. Very enjoyable, Congratulations Chatauqua!

Review: What a fun show! Listen carefully or you'll miss all the subtle jokes and innuendos. Berman is perfect as Einstein. Schmendiman is wonderful and is probably selling used cars today. And the visitor - wow! This show is great for those that want to look a bit deeper or for those that just want to enjoy a comedy - it's up to you!
