## audience reviews

*The Effect of Gamma Rays on Man-in-the-Moon Marigolds*, El Dorado High School Studio 81

**Review:** I was able to see this play last weekend and it was amazing. It's hard to believe that these actors are high school students directed by a high school student. This is a very powerful, well acted play.

**Review:** Wow, this play was very intense, very moving and I was completely caught up in it and cried and cried. Great job to all the actresses and student director!
