Disney's Beauty and the Beast, Imagination Theater

Review: This show was stunning! The incredible cast from leads to chorus did an outstanding job. Special kudos to the actress playing Belle, a beautiful young woman with a voice to match. The story and many of the songs, while familiar, seemed fresh and exciting, and the dialogue and new songs added both humor and drama. The rotating set had amazing detail and was expertly handled. Also, the lights, sound and special effects made the whole experience magical. I laughed out loud and was deeply touched by this special production from Imagination Theater!
