audience reviews

Wizard of Oz, Imagination Theater

Review: The costumes were great as was the show. The munchkins are adorable. I just wish the show was a little shorter.

Review: The show is filled with beautiful sets and wonderful costumes. This, along with the numerous visual effects (smoke, fire balls, snow, etc...), make it a visually stunning show. The lead actors are all very well cast and do a great job bringing this timeless story to life. Dorothy, Scarecrow, Tin Man and Lion were all exceptionally good! The munchkins also did a fantastic job, as well as the Witch, Glinda, OZ and the Gard! My only complaint would be the length of the show. This could be possibly fixed by shortening the numerous lengthy scene changes. All in all the show is well worth seeing and a great show for kids as well the young at heart! Don't miss it!

Review: I went to W of Oz yesterday and I was blown away by the sets, the acting, the sets, the costumes, the sets, the number of players, the effects, and, oh, did I mention the sets?!? Wow—what a production!! I'm sure all the actors are very proud to be a part of such a quality show!!
