Annie, Jr., Rocklin Youth Theatre Company

Review: I saw Annie on Thursday with my two kids and we all loved it. The Young and talented cast kept our attention from the first scene to the final curtain. The show ran about an hour and a half, and that was perfect for my children's attention span. My kids loved the orphan scenes and songs the best, And I have to admit that I did think the orphans were the highlight of the show. Each of their personalities really came through as they sang and danced. The Actress who played Annie was lovable every minute. The Young Actress who played Pepper was also very good. For a Local production and a \$10 seat, I would recommend Annie Jr. for all Ages.
